King offers an environment that encourages exciting challenges and opportunities for growth. While King works at making the campus a healthy place to live and study, growth and development also depends upon the student. The student’s personal investment, the willingness to work toward community, and the demonstrated respect for others contribute to the total environment.

King is committed to helping students develop in all aspects of life. An effort is made to assist students socially, physically, emotionally, spiritually, and intellectually. Our mission is to prepare men and women to creatively and professionally transform culture.
