All students must take the OAK (Outcomes Assessment at King) basic subjects test on general education prior to graduation at King University. The student’s transcript will indicate that the general education assessment requirement has been fulfilled. Any student who does not meet the comprehensive assessment of general education requirement will not graduate until the requirement has been met.

This policy will go into effect in Fall Semester 2015 for Traditional students and in the graduation semester of any GPS/Online student entering in Fall 2015. Associate of Arts students will complete the OAK in the semester they graduate with their Associate’s Degree, beginning with students who entered King University in Fall 2015.
