Completing a Minor after Earning a Bachelor’s Degree

Students who have already earned a degree from King and are not enrolled in a graduate program may return and fulfill the requirements for a minor. These students must apply for readmission to the institution, declare the appropriate minor in the Office of Registration and Records, and register as seniors.

Students who return to King to complete a minor must meet all the requirements for that minor. Students must complete 67% of the credits in a program minor at King if they are transferring some of the minor courses from another institution. It will be the student’s responsibility to fill out a Completion of Minor form in the Office of Registration and Records upon completion of the requirements for the minor so that a notation can be placed on the transcript.

Students who hold a bachelor’s degree from another college or university may not complete a minor only at King.
