Program Coordinator: A. Rémillard

The French faculty seeks to nurture all of the major language skills: reading, writing, speaking, and listening comprehension. Through study of the languages, literatures and histories of other cultures, students gain a heightened sensitivity to the use of their native language and a greater appreciation for the world’s diversity. French majors are well-prepared to enter the global society of the 21st century.

After completing FREN 2000 or its equivalent, students should begin their major/minor by enrolling in Advanced French Skills I and II (3010 and 3020). Then, students may complete their degree requirements by taking a range of literature, civilization and culture classes or by concentrating on the use of the language in a particular field such as business or healthcare.

The major prepares students to communicate in French in a wide variety of occupations. French majors may choose to pursue licensure to teach through the School of Education or pursue careers in business, government services, intelligence, interpreting, and translation. An immersion experience in a French-only environment is required and must be pre-approved by King University Center for Study Abroad.

Requirements for admission to Upper-Level Courses
Completion of FREN 2000 or equivalent proficiency shall be considered a prerequisite for all courses numbered 3000 and above.

Studies in French-Speaking Countries
In cooperation with the Institute Jacques Lefevre in Caen, France, the department periodically offers a six-week program of study during the summer months with study options available at various levels.

The institution also endorses several other study-abroad opportunities. Contact the Department of Languages and Literatures or the Center for Study Abroad for more information.

Placement Testing
All students shall be required to complete a placement test before enrolling in French courses. Students who place into the 3000 level may not be required to take additional French courses to earn core credit while at King.
Other notes
Completion of 2000 or demonstration of equivalent proficiency shall constitute completion of the core language requirement.

Core Curriculum Requirements
French majors should fulfill specified categories of the King Core Curriculum by taking the courses indicated below. See the “The Core Curriculum” section of the catalog for additional details.

Teacher Education - FRENCH
Tennessee teaching licensure (Grades 6-12) is available with modifications to the French major and the King Core, and successful completion of the Secondary Education minor. Licensed teachers in secondary education are in great demand in all fifty states, and the areas of science, mathematics, English as a second language, and foreign languages are considered critical need areas in K-12 public education by all states.

Declaration of the minor and early and frequent advisement is essential to timely completion of degree and licensure requirements. Students seeking teacher licensure will be assigned a secondary education advisor in the Department of Teacher Education, in addition to their major advisor. See the “Admission to the Teacher Education Program” section of this catalog or contact the Certification Advisor in the School of Education for eligibility criteria, admissions procedures, and timelines.
