3000 level above ........................................................................... 8 s.h.

* All Physical Education majors must complete PHED 1100 in order to earn their degree. Physical Education majors may elect to take three additional physical activity classes. These courses are optional and are in addition to Fitness for Life and the two physical education courses already allowed for all King students.

Stipulations

a. The three additional courses must represent three different areas of sport/activity, such as golf, tennis, and volleyball, as opposed to receiving multiple credits by taking (for example) both beginning tennis and intermediate tennis.

b. The additional credits cannot be taken in a varsity sport.
CPR and First Aid:
If a student is currently certified in American Red Cross or American Heart Association CPR or First Aid and wants to waive taking the class, the student must present the current certification card to the Physical Education Program Director and demonstrate proficiency in CPR and First Aid by testing out on the written and skills tests (under the direction of the Physical Education Program Director).

Summary of Total Credits
Core Curriculum.................................................................................................42 s.h.
Major Requirements ...................................................................................... 50-52 s.h.
Business Administration Minor Requirements ..............................................20 s.h.
Electives ........................................................................................................ 10-12 s.h.
Minimum to Earn Bachelor of Arts.............................................................. 124 s.h.
