Teacher Education - HISTORY WITH GOVERNMENT

Tennessee teaching licensure (dual licensure in History and Government, Grades 6-12) is available with modifications to the Political Science/History track and the King Core, and successful completion of the Secondary Education minor. An endorsement in geography may also be added to the history license. Licensed teachers in secondary education are in great demand in all fifty states, and the areas of science, mathematics, English as a second language, and foreign languages are considered critical need areas in K-12 public education by all states.

Declaration of the minor and early and frequent advisement is essential to timely completion of degree and licensure requirements. Students seeking teacher licensure will be assigned a secondary education advisor in the Department of Teacher Education, in addition to their major advisor. See the “Admission to the Teacher Education Program” section of this catalog or contact the Certification Advisor in the School of Education for eligibility criteria, admissions procedures, and timelines.
