### TOTAL

A minimum of 124 hours are required for graduation. Of this total, at least 48 hours must be completed at King University.

* Language proficiency is required to elect PSCI 2120, PSYC 1520, or RELG 2430.

It is the responsibility of each student to monitor his or her academic progress at King University. The student is expected to know the published graduation requirements pertinent to his or her program, to be cognizant of his or her grade point average, to make appropriate elective course selections, and to add/drop courses to best facilitate attainment of his or her educational goals. To assist in making these important decisions, the University provides each student with an Academic Advisor.
