

A student who desires to return to King University after not being enrolled for at least one semester may apply for readmission. Applicants must apply for admission by completing the admissions application at apply.king.edu. A student's account must be clear of all holds from the following offices:

- Academic Affairs / Office of Registration and Records
- Business Office
- Financial Aid Office
- Security Office
- Student Affairs Office

The student will be notified by the Admissions Office should there be any holds on his or her account preventing re-admittance. It is the responsibility of the student to contact the appropriate office to resolve any outstanding issues once notified.

Students who were academically suspended must receive approval from the Academic Affairs office to be re-admitted. Students who were dismissed due to student conduct must receive approval from the Student Affairs Committee prior to readmission consideration.

If the student attended any other institutions during the time away from King University, he or she must also submit official transcripts from all institutions of higher education attended. Academic performance at these institutions will be considered as a part of the review process. Students may receive transfer credit for courses that correspond or are equivalent to courses taught at King.

To determine whether a student's catalog requirements will change or if course credits taken previously at King may expire, please review catalog section 2.05.130, "Time Limit for Completion of Degree Requirements."

Undergraduate

An undergraduate student who left King in good academic standing may be considered for readmission with a cumulative grade-point average of 2.0 or higher in coursework completed at all institutions.

Graduate

A graduate student who left King in good academic standing may be considered for readmission with a cumulative grade-point average of 3.0 or higher in coursework completed at all institutions.

Readmission to a Specific Program

Some academic schools may require additional approvals for readmission to specific programs. Please contact the Admissions Office to learn of these steps.
