

Private one-hour lessons in brass, harpsichord, percussion, organ, piano, voice, and woodwinds are offered for credit. For one credit hour the student practices six hours a week.

Upon beginning the study of applied music at King, the instructor will place the student at the proper level (elementary, intermediate, advanced), which is indicated by the first digit in the course number. The middle digit indicates the area of study and the last digit indicates the number of semesters on one level of competency.

There is no limit to the number of semesters a student may study at one level. Advancement from one level is accomplished through performance juries. Moving from one level to another is a decision made by the faculty of the music program.
