Program Coordinators: M. Nelson & R. Foreman
Delivery Formats: Hybrid and Online

The nursing education concentration prepares professional nurses to function as nurse educators. This may be in the area of staff development, health education, or preparation of nursing students. This concentration focuses on the application of specialized knowledge and skills related to theories and principles of teaching, conceptual learning, curriculum design, assessment and evaluation of education programs and practice, and leadership to promote educational outcomes.

Selected teaching and research experiences in clinical and classroom settings provide the student with the opportunity to function as a nurse educator. Practica must be completed in a clinical and a nursing education setting.

**Concentration Objectives**
1. Develop educational strategies to promote holistic learning in individuals and groups with diverse backgrounds and developmental levels.
2. Apply teaching and learning theory to the design, implementation, and evaluation of learning processes.

**MSN Core Requirements**
- NURS 5000  Theoretical Basis of Nursing Practice ................................................................. 3 s.h.
- NURS 5001  Research Designs in Nursing ........................................................................... 3 s.h.
- NURS 5010  Social, Cultural, & Political Perspectives on Healthcare and Delivery Systems ................................................................. 3 s.h.
- NURS 5014  Healthcare Informatics .................................................................................. 3 s.h.
- NURS 5022  Research Seminar ......................................................................................... 3 s.h.

**Nursing Education Concentration Requirements**
- NURS 5002  Advanced Pathophysiology ........................................................................ 3 s.h.
- NURS 5004  Advanced Physical Assessment & Health Promotion .................................. 3 s.h.
- NURS 5006  Advanced Pharmacology .............................................................................. 3 s.h.
- NURS 5030  Principles of Teaching and Learning ............................................................ 3 s.h.
NURS 5032
  Curriculum Development & Implementation in Nursing Education.................................................. 3 s.h.
NURS 5035
  Focused Clinical Seminar and Practicum................................................................. 5 s.h.
NURS 5036
  Nursing Education Practicum........................................................................................... 4 s.h.
NURS 5990
  Comprehensive Assessment .............................................................................................. 0 s.h.

Total ......................................................................................................................................... 39 s.h.
