How to Fold a Dress Shirt
Create perfectly squared button-downs in four steps

**Step 1:**
Lay the shirt facedown.

**Step 2:**
Fold each sleeve over vertically, to the middle of the space between the neck and the end of the shoulder, without bringing in the sides of the shirt.

**Step 3:**
Fold both sleeves in again, to meet in the middle. There should be a V underneath the collar.

**Step 4:**
Fold up once or twice, depending on the length of the shirt and the depth of your storage space. Flip over.
