Students pursuing the Leadership minor will experience a program consisting of a core of leadership courses, an interdisciplinary curriculum of carefully selected elective courses, and leadership experience.

Students will develop core knowledge about leadership through course content and practical experience involving the following broad areas: (a) faith, ethics, and values; (b) communication and group dynamics; (c) organizational structure and social science; and (d) multiculturalism.

**Electives for Leadership Minor**
Each student pursuing the leadership minor will, upon declaration, meet with the leadership program coordinator to develop a plan of study that identifies the appropriate number of elective courses.

These courses, which should be selected based on the student’s vocational goals, should further equip the student for leadership by providing them with additional skills, knowledge, and abilities. Normally, these elective courses may NOT overlap with courses required by either the core curriculum or the student’s major.

The plan of study, when completed, will be submitted to the Office of Registration and Records for use in the degree audit. Changes to the plan of study must be approved by the program coordinator.

**LEAD Course Rotation Schedule**
All LEAD courses, with the exception of LEAD 2200, are taught both face-to-face and online in a rotation such that students can complete all required courses in a maximum of four semesters.
