PURSUING A CAREER IN MUSIC?

We've composed a program to discover and enhance your own creative abilities through –

King University offers incoming freshman and transfer students the opportunity to pursue a music degree at a smaller, private university.

You don't have to wait until your Junior or Senior year to perform – we offer immediate performance opportunities.

King offers two course tracks: 1) Music
2) Music Education

PERFORMANCE

ADVANTAGES:

- Smaller Class Sizes
- Access to Professors
- More Performance Opportunities
- More Solo Opportunities
- Valuable Experience in Leadership and Conducting

*Music is not what I do,
it's who I am.*

King University gives music students the chance to learn and grow by providing them with early opportunities to perform in excellent venues.

Because of the smaller student to professor ratio, music students enjoy better access and feedback from professors at any given time during their education.

Degrees offered include a Bachelor of Arts in Music and a Bachelor of Arts in Music Education with licensure in vocal or instrumental music.
