Don't Forget to RSVP for Commencement by March 19, 2021

To make this event and celebration of your academic accomplishments possible, we must follow several guidelines provided through the CDC and the Tennessee Department of Health as they relate to the ongoing COVID pandemic. These adjustments require offering two ceremonies on the day of May 1st to accommodate 3 semesters of students graduating, and social distancing simply requires more space.

Although we plan on incorporating as many memorable aspects of graduation as possible, certain strictures must be observed in order to protect the safety of our graduates, their families, and our employees at King. Therefore, commencement will consist of the following requirements:

*To ensure proper social distancing, each graduate attending Commencement will be provided 4 guest tickets. This includes children of any age.
*Other friends and family members can view the live ceremony at http://webcast.king.edu
*In the case of significant rain, the event will be canceled or rescheduled.
*Masks will be required for all attendees.
*If possible, we encourage attendees to arrive in one vehicle. A parking pass will be provided.

These requirements necessitate the institution to have a precise count of those who will be attending graduation. In the coming weeks, all graduates attending commencement will receive additional information regarding their cap and gown, tickets, and directions.

Please check your King email on a frequent basis for continuing updates and instructions regarding commencement.

Check your King email for the link to RSVP by March 19, 2021. You will be prompted to log in with your King credentials.
Academic Honors

Academic honors will be determined by the undergraduate student’s King grade point average. In addition, certain departments also require honors candidates to undergo an external examination.

**Latin Honors**
Graduates who have completed a minimum of 62 semester hours of graded coursework at King (*excluding PLA, and pass/fail credits*) will be eligible for the following Latin honors:

- GPA meeting or exceeding 3.500: cum laude
- GPA meeting or exceeding 3.700: magna cum laude
- GPA meeting or exceeding 3.900: summa cum laude

**Honors With Distinction**
Students who have completed 48-61 hours of graded coursework at King with an institutional grade point average of 3.70 or higher will graduate 'With Distinction' in their given field.

**Graduate Level Honors**
Students in a Master or Doctoral program are not eligible for academic honors. Students within these programs are required to maintain an A/B level GPA at all times during their program.

**HONORS FOR GRADUATION CEREMONY:**
The GPA at the end of 10 weeks, during the student's last semester, will be used to announce anticipated honors during commencement exercises. Students who are approved to march early will not have expected honors announced.

Summa cum laude graduates will receive a gold honor cord at the graduation ceremony.

**Note:** Official honors will be noted on the diploma.
King University Diploma Frames are available in the Tornado Alley Shoppe for $95.00 (+ tax)
Students taking courses from another institution within their graduation semester need to be aware that grades for such courses are due no later than Wednesday, May 5th.

Failure to meet this deadline could not only hold up conferral of the degree but also the release of transcripts. Students are responsible for making arrangements with professors at other institutions to complete course requirements early if that is necessary in order to meet the King University deadline.

**Family Diploma**

A graduating student who has a parent or guardian that is a member of the King University faculty, staff, or Board of Trustees may request that the parent deliver the diploma case during commencement in lieu of the President. The student should make the request in writing to The Office of Academic Affairs academicdean@king.edu no less than two weeks before Commencement.

**Veterans and Active Military**

We acknowledge graduates who have provided great service to our country by bestowing upon them red, white, and blue honor cords. Veterans and Active Military are given the braided cord to wear around the neck at the commencement exercises.

King University’s Office of Registration and Records is focused on helping you progress to your next educational endeavor or career milestone.

The university has expanded our partnership with Parchment to combine our printed diplomas with a secure digital version. Digital awards offer many benefits for you. You now can view and share your degree with just a few clicks.

With Parchment, the leader in e-transcript exchange, the digital diploma is sent, and delivered electronically, securely, and confidentially. Just like the Parchment e-transcript service, the Blue Ribbon Verified PDS is an official record of your credentials. This type of verification ensures none of the information in the credential has been altered.

Once all degrees have been conferred, a notice will be sent to your King email account. The digital diploma allows you to share your accomplishments on social media sites such as Facebook, Instagram, Snapchat, Twitter, and LinkedIn. We encourage you to promote your talents in places where employers and future King Students will see.

In addition to your digital diploma, we are excited to provide you with a paper diploma. Official paper diplomas will be mailed your home address on file within 10 to 14 business days after you have received your digital copy.
