- GPA meeting or exceeding 3.500: cum laude; or
- GPA meeting or exceeding 3.700: magna cum laude; or

Honors With Distinction

Students who have completed 48-61 hours of graded coursework at King with an institutional grade point average of 3.70 or higher will graduate With Distinction in their designated field of study.

Students in a graduate program are not eligible for academic honors due to the GPA expectations set by those programs.

Honors for Commencement Ceremony

Anticipated honors will be announced during commencement exercises. The GPA at the end of week 10 in the student's final semester will be used to calculate anticipated honors. Graduates with summa cum laude honors will receive a gold honor cord as they cross the platform during commencement exercises.

Students who are approved to march early will not have honors announced.

Final honors will be noted on the diploma.

Additional Information

Courses from Outside Institutions

Students taking courses from another institution within their graduation semester need to be aware that grades for such courses are due no later than 8:00 AM on Tuesday, December 14th.

Failure to meet this deadline could hold up conferral of the degree and the release of transcripts. Students are responsible for making arrangements with professors at other institutions to complete course requirements early, if necessary, in order to meet the King University deadline.

Family Diploma

A graduating student who has a parent or guardian that is a member of the King University faculty, staff, or Board of Trustees may request that the parent deliver the diploma case during commencement in lieu of the President. The student should make the request in writing to The Office of Academic Affairs at provost@king.edu at least two weeks prior to commencement. Requests after this date will not be approved.

Veterans and Active Military

We acknowledge graduates who served our country by bestowing upon them red, white, and blue honor cords. Veterans and Active Military are given the braided cord to wear around the neck at the commencement exercises.

Diplomas

King University's Office of Registration and Records is focused on helping you progress to your next educational endeavor or career milestone.

The university has expanded our partnership with Parchment to combine your printed diploma with a secure digital version. Digital awards offer many benefits for you.

With Parchment, the leader in e-transcript exchange, the digital diploma is sent, and delivered electronically, securely, and confidentially. Just like the Parchment e-transcript service, the Blue Ribbon Verified PDS is an official record of your credentials. This type of verification ensures none of the information in the credential has been altered.

Once all degrees have been conferred, a notice will be sent to your King email account. The digital diploma allows you to share your accomplishments on social media sites such as Facebook, Instagram, Snapchat, Twitter, and LinkedIn. We encourage you to promote your talents in places where employers and future King Students will see them.

In addition to your digital diploma, we are excited to provide you with a paper diploma. Official paper diplomas will be mailed your home address on file within 10 to 14 business days after you have received your digital copy.
