Graduates who have completed a minimum of 62 semester hours of graded coursework at King (excluding PLA, and Pass/Fail credits) will be eligible for the following Latin honors:

- GPA meeting or exceeding 3.500: cum laude; or
- GPA meeting or exceeding 3.700: magna cum laude; or

Attention: Summer Graduates

Any student who graduates in summer or fall will normally participate in commencement exercises the following spring. To petition to participate in an early commencement ceremony, students must supply a copy of their degree audit showing their plan for degree completion as well as indicating their preferred ceremony when submitting the Intent to Graduate form. Students can obtain their degree audits, plan courses for future semesters, and download the audit in PDF format by clicking the link to Conclusive through student portal.

Regalia Guide

The gown for the bachelor's degree has pointed sleeves. The gown for the master's degree has an oblong sleeve, open at the wrist. The gown for the doctoral degree has bell-shaped sleeves. Gowns for the bachelor's or master's degrees are untrimmed. For the doctoral degree, the gown is faced down the front with velvet (usually black); three bars of velvet are used across the sleeves. These facings and crossbars may be of velvet of the color distinctive for the degree, or the institution's colors.

The academic hood is the identifying symbol of the degree. Hoods are lined with the official color or colors of the college or university conferring the degree. King University hoods are lined in red and blue. The length of the hood worn for the bachelor's degree is three feet, for the master's degree three and one-half feet, and for the doctoral degree, four feet. The hood worn for the doctoral degree only shall have panels at the sides. The binding or edging of the hood is two inches, three inches, and five inches wide for the bachelor's, master's, and doctoral degrees, respectively; the color is indicative of the subject to which the degree pertains.

Nursing Pinning Ceremony

Thursday, April 25th at 6:00 PM
First Presbyterian Church
701 Florida Ave
Bristol, TN 37620

Each school's nursing program bestows a pin distinctive to their own school. King University's School of Nursing pin, like the distinguished 13th century coat of arms, signifies pride in individual achievement. The nursing students in the first graduating class designed King's School of Nursing pin.

The pinning is associated with Florence Nightingale, who, in the 1860s, was honored with the Red Cross of St. George for her selfless efforts to injured men during the Crimean War.

Because she believed in acknowledging a job well done, she presented a medal of excellence to her hardest working nursing graduates. By 1916, it became standard in the United States to award all nursing graduates with a pin during a special ceremony. One of King's traditions for the ceremony has included a blessing of the hands and lighting of the Florence Nightingale lamps.

The School of Nursing will contact students eligible to participate in the ceremony.

Baccalaureate Service

Friday, April 26th at 6:00 PM
First Presbyterian Church
701 Florida Ave
Bristol, TN 37620

For graduating students, the Baccalaureate service is a great opportunity to reminisce with fellow students about their years at King University. The service is a vital and timeless expression of the commitment students have made to the values of excellence and service that King represents. It provides an occasion to acknowledge King's roots in the Christian academic tradition and to give thanks to God for the opportunities students have enjoyed as members of the King University community. The Baccalaureate service is a sacred part of the King experience and cherished by generations of King alumni. For this reason, all graduating students are expected to attend.

The service is held at the First Presbyterian Church at 6:00 p.m. on Friday, the evening before each spring Saturday commencement ceremony. Graduating students should assemble in the Fellowship Hall at 5:15 p.m. and wear their robes without the hood or cap.

Diplomas

King University's Office of Registration and Records is focused on helping you progress to your next educational endeavor or career milestone.

The university has expanded our partnership with Parchment to combine your printed diploma with a secure digital version. Digital awards offer many benefits for you.

With Parchment, the leader in e-transcript exchange, the digital diploma is sent, and delivered electronically, securely, and confidentially. Just like the Parchment e-transcript service, the Blue Ribbon Verified PDS is an official record of your credentials. This type of verification ensures none of the information in the credential has been altered.

Once all degrees have been conferred, a notice will be sent to your King email account. The digital diploma allows you to share your accomplishments on social media sites such as Facebook, Instagram, Snapchat, Twitter, and LinkedIn. We encourage you to promote your talents in places where employers and future King Students will see them.

In addition to your digital diploma, we are excited to provide you with a paper diploma. Official paper diplomas will be mailed your home address on file within 10 to 14 business days after you have received your digital copy.

Diploma FAQ

What name is printed on my diploma?

Your name will appear on your diploma as indicated on your Intent to Graduate form.

How is my diploma sent to me?

Diplomas are sent via USPS to the HOME address on file. If your address is incorrect, you will need to contact the Office of Registration and Records before the date of conferral to change your address.

Can I order an additional diploma?

Additional Information

Courses from Outside Institutions

Students taking courses from another institution within their graduation semester need to be aware that grades for such courses are due no later than 8:00 AM on Tuesday, May 2nd.

Failure to meet this deadline could hold up conferral of the degree and the release of transcripts. Students are responsible for making arrangements with professors at other institutions to complete course requirements early, if necessary, in order to meet the King University deadline.

Family Diploma

A graduating student who has a parent or guardian that is a member of the King University faculty, staff, or Board of Trustees may request that the parent deliver the diploma case during commencement in lieu of the President. The student should make the request in writing to The Office of Academic Affairs at provost@king.edu at least two weeks prior to commencement. Requests after this date will not be approved.

Veterans and Active Military

We acknowledge graduates who served our country by bestowing upon them red, white, and blue honor cords. Veterans and Active Military are given the braided cord to wear around the neck at the commencement exercises.
