2. In Self-Service, you will click **Student Planning** and then **Plan Your Degree and Register for Classes**. On this page, you can look up courses, explore different sections, add them to your plan, and register.

**Student Planning**
Here you can search for courses, plan your terms, and schedule & register your course sections.

2
**Plan your Degree & Register for Classes**
Next, take a look at your plan to see what you've accomplished and register your remaining classes toward your degree.
[Go to Plan & Schedule](#)

3. Once in Student Planning, search for the courses you need using the search box in the upper right corner of the screen. Do not be alarmed if you do not see fall 2026 on your planning page. This will load once you begin building your schedule.

4. When the courses load, adjust the filter on the left-hand side of the screen so that only fall 2026 sections are displayed.
