Alaska Airlines has specific policies when it comes to name changes on tickets. Generally, complete name changes are not allowed, as the name on the ticket must match the passenger's government-issued ID. (1-866-829-1536) However, there are exceptions for smaller corrections, such as fixing minor spelling errors or adjusting middle names. These types of changes can often be made without a fee, provided they are minor.

For more significant name corrections, passengers may be required to cancel and rebook their flights. This could involve additional fees, depending on the fare rules for the ticket.
